

I would be interested in helping out on an occasional basis with (please tick):

- A school visit or sports fixture
- An art/craft/cookery session
- Archiving school photographs and other materials
- Revamping the school pond area
- Sorting costumes and production props
- Helping to reorganise the library
- Speaking to a year group about my occupation as \_\_\_\_\_

- 'Reading Parents'** - We are also looking at introducing 'reading parents', which would involve a more **regular commitment** as well as the need to complete a DBS, school application form and provide references. This would not be in a year group which contained your own child/children. Please tick if you would be interested in being involved with this.
